Communicants coming into the Parish or leaving it should comply with the following Canon:

"A communicant removing from one Parish to another shall procure from the Rector, if any, of the Parish of his last residence, or if there be no Rector, from one of the Wardens, a certificate stating that he or she is a communicant in good standing."

Attention is called to the Rubric before the office for the Visitation of the Sick, which reads:

"When any person is sick, notice shall be given thereof to the minister of the parish."

The Rector wishes to urge the use of the Church and Chapel for the following purposes:

1. Private devotions.
2. Marriages.
3. Burials.

The pews in this Church are free and open to all, and the Church is supported by the free-will offerings of those who worship here, and those who seek her blessed ministrations.

The Duplex Envelope System is adopted for pledges and contributions. The pledge card and envelopes may be procured from the ushers and from the Secretary of the Vestry. Be a helper in this work if you are not already. Work, and give not grudgingly, nor of necessity; for "God loveth a cheerful giver."

We need the Altar adorned and sweetened with the incense of flowers each Sunday. Let each member indicate below in the space provided, the date they desire to provide the flowers nearest the death of a loved one, thus remembering their departed ones, as well as adorning God's Altar.

This is to schedule you in our adopted system for regular monthly Communions. Please co-operate. Holy Communion every Sunday morning at 8.00 A. M., also the first and third Sundays at 10.30 A. M.

In the interest therefore of greater spiritual and numerical growth try to receive monthly at least, as well as on the Greater Festivals. You are lovingly requested to try to make your Communion on the Sunday of the month throughout the year as designated for you below. There are many who make weekly Communions, and this is most commendable. Our chief aim is not to lapse.

The first Sunday of each month—The Vestry and all the men.

The second Sunday of each month—All the women.

The third Sunday of each month—All the young men and boys.

The fourth Sunday of each month—All the young women and girls.

The fifth Sunday of each month—The Church School officers and teachers and all missionary organizations.

Rector's Letter

It has been a month of events since our last issue and there is much to inspire us in the records that were made.

Easter day brought us all great joy in the unusual number at the early celebration and the other services of the day. Perhaps five hundred were present at the Church School Service in the afternoon when the Lenten self-denials for Missions were presented class by class and the beautiful cross of white carnations was made as the children brought forward the flower.

The total amount of the offering is not definitely known but it is hoped we shall report at the special presentation service on May 18th, $685.00, so that St. Luke's will be among the number of those schools exceeding the amounts of last year as requested by the authorities. At the night service the Rector's heart was gladdened by having his brother at his side, and as the Crucifer when the new Processional Cross was formally received and dedicated in the Special Procession and Thomas James Foster and George Henry Bauder were appointed the Crucifers for St. Luke's. The Cross was presented by Miss Edith Millham, in memory of her parents. The Easter Cantata, "From Death Unto Life," rendered by the choir under Mr. Melling at this service was most impressive.

At the close of this happy day care was taken to remind the sick and sad of our thoughts of them in the flowers which adorned and beautified the Altar in memory of our sainted dead.

The annual election of twelve Vestrymen for the year took place on Easter Monday night. We must strive next year to make more of an event of this important meeting by a large representation of our Parish and reports from officers of all our organizations.

Reference is made elsewhere in this issue to the Parish and Diocesan laws, which must be enforced next year regarding accurate financial reports from the treasurers of all funds and which must be audited by the special appointed parish auditors dating from January 1st to December 31st.

The Sixty-first Anniversary of the founding of St. Luke's was observed on the twenty-sixth because Easter Day fell upon April 19th. The organizations followed the choir in procession and the largest congregation was present during my rectorate. It was indeed an historical event, long to be remembered, and we move forward in the new year's demands in its inspiration and splendor. God help us to be faithful to our trust.

We were represented at the installation service and luncheon of our beloved Diocesan, The Rt. Rev. Thomas James Garland, D.D., who is now our Bishop and the eighth Bishop of Pennsylvania.

In the Confirmation Class presented on May 18th, we regret we were unable to have our own Bishop as it was the first class presented by the Rector in this parish. It is with gladness, however, that we welcome the new candidates to all the Church's privileges. The class will be prepared during the interim to make their first Communion as a class on Whitsunday at the 8 o'clock early celebration. That is the Church's Birthday and these new Communicants will have reason to remember it. Let all of St. Luke's Communicants share in these privileges with the class, and

inspire them by your presence and prayers.

My letter this month, you will observe, records historical events, in all of which I am greatly concerned. Do not permit the services and the work of the Church to be neglected during the summer months. Remember your offerings and gifts, for our expenses are heavy. If you are not pledging or giving, begin at once, the Vestry Committee will help you to understand our methods of support. If you have little, give little; if you have much, give accordingly, is the divine command.

This is the last issue of the EVANGELIST until the October number. May God be gracious to us all.

Faithfully yours,

W. J. Hawthorne.

Greetings

What greeting shall I send you
As I think of you today?
For the wish that I would wish you
Goes beyond what I can say;
Yet unspoken thoughts rise heavenwards
In the silence, when we pray.

I will breathe my intercessions
Before God's Altar Throne,
And the best wish I can wish you
Shall be told to Him alone,
And the best thought I can send you
Is from Him, and not my own.

And your name shall be remembered
In the Blessed Presence there
Where remembrances are sacred,
And each memory holds a prayer
And where loving thoughts shall leave you
In a loving Father's care.

The Bishop's Installation

The Rector has mentioned this important event in his letter, but a layman who was present at this service would like to pass an impression to the Parish.

Looking down from the gallery in Holy Trinity Church that day, as the procession of students, visiting clergymen, clergymen of the denominations, and the long line of Bishops came on and on, one was reminded that "like a mighty army moves the Church of God." The great organ pealed forth its powerful sounds and the choir and people raised their voices in praise and gratitude—God indeed had blessed the Diocese—and the very unity of the service gave voice to thankfulness.

Bishop Garland knows our Parish very intimately, and feels most affectionately toward it. Let us not forget to remember him in our prayers and be ready to co-operate in every way possible.

✠

The Diocesan Session of the Mission Study Class: Japan

Miss Hilda Beddows and the Educational Secretary of the Parish had the privilege of attending this meeting on April 28th, at Holy Trinity Parish House. They regret that St. Luke's was not represented by greater numbers, and wish that they might pass on to others the joy and inspiration received that evening.

The aim of the evening was "To rejoice together, bringing our offerings and thanksgivings to help the *Church carry out her Program in Japan.*"

Mrs. Henry A. Pilsbry, our Diocesan Educational Secretary, gave a wonderful report of the year's work; our old friend, Rev. N. B. Groton, filled our hearts with

real joy during his meditation; and the Rev. A. Hoyo, of Japan, made us realize that our Lord spoke to every baptized member of the Church when He said "go teach, preach, heal, baptize." Won't you let us share our inspiration with you?

✠

The Garden Party at Wyck

Your Delegates to the Women's Aid to the North Convocation, pledged for St. Luke's Parish on April 9th, ten dollars donation and service in the cafeteria on June 5th. This means that the women of St. Luke's are responsible for making and delivering 1,000 sandwiches for the Wyck Party. The work will be done in Mrs. Wunderlich's kitchen, 2532 N. Franklin Street, on June 5th, between 9 and 12 noon. As the Convocation gave aid to us in the days when we were a struggling mission, let us reciprocate and remember others who are struggling in our community.

The Garden Party will be held on the Haines' Estate, Germantown Avenue and Walnut Lane, June 5th, between 2 and 8 P. M.

✠

The Children's Party

The Church School Service League and the Bishop's Brick Fund have invited the boys and girls of our Parish to attend a meeting and party on Saturday, May 31st, at St. Martin's-in-the-Fields, Chestnut Hill. The program is as follows:

12 noon—Bring picnic lucheon (ice cream provided).

1.30 P. M.—C. S. S. L. meeting; short reports; tableaux showing work.

3 P. M.—Presentation Service of Bishop's Bricks (every 10c represents 1 brick to help the Bishop).

Get in touch with the Rector if you want to go to the party.

✠

"A Full House"

will be presented by the teachers of the Main School on two nights: June 5th and 6th. Keep these dates in mind and back up these young people in their efforts to make things go.

✠

Personals

Miss Isabel Chapman writes that Massachusetts looks fine these days but she is sure that Pennsylvania looks better and hopes to be with us by the end of the month. She adds: How are the Leaders coming along?

Much praise and sincere thanks are due the Choir Mothers, Mrs. George Grant and Mrs. Mary Foster, for their devotion to this important work of the Church life. It is no easy task to have a choir properly dressed, in its appointed place, and on time every Sunday of the year.

Mrs. Campbell, our blind friend, wishes to thank the members of St. Luke's for their kindnesses at Easter-tide. She "enjoyed everything."

Our sympathy and prayers are with the families of Mrs. Arthur Lee and Mr. William Casson at this time of sorrow.

Little Elizabeth Shepp has been taken Home. She is with Jesus Whom she had learned to love and know, and those of us who knew her best are glad that she is at rest.

If you want to buy or sell that house come to see me and talk it over

Assets over $450,000.00 **Earnings 9%**

Rev. and Mrs. Thomas della Cioppa, our Italian friends of L'Emmanuello Mission, 1024 Christian Street, wish to express their thanks to the Parish for the beautiful Altar flowers sent to the Episcopal Hospital for Mrs. della Cioppa.

We congratulate Mr. Edward Wunderlich. Few of us know how earnestly and steadily he has worked to win the diploma he received on May 1st from the Spring Garden Institute.

It always speaks well for any new Rector to bring back the veterans, and we are glad to have them with us, too, for we know they are tried and true.

It gives us great pleasure to welcome Mr. James Downing into the Vestry of St. Luke's, and also congratulate the old members on their re-election.

We look forward to the day when all the young men in the Church will vacate the last seats and move further forward. Such an action would give the Rector much pleasure.

Mr. Albert Smith, State Sanitarium, Infirmary Ward, Mt. Alto, Penna., wishes to thank his friends at St. Luke's for the surprise box he received at Easter. He also would like to receive some letters as it gets a little lonely in the hills at times.
